SAMSAR is an all-volunteer, non-profit Mounted Search and Rescue Unit serving Pima County and all of Southern Arizona. It is the exclusive team chosen by the Pima County Sheriff's Department - on call 24 hours a day, every day.

We have recently reorganized to concentrate solely on the special operations of mounted search and rescue. The membership has a combined experience of over eighty years and several hundred missions.

All of our mounted teams, horses/mules and riders alike, have gone through extensive practical, medical and field training to become Field Qualified Search and Rescue Operatives.

Our organization receives no grant money or outside funding. Members use their own financial resources to maintain a qualified team, ready to serve the Tucson community and all of Southern Arizona.

Proceeds from this event and others will be dedicated to funding vital equipment purchases, ongoing field training, advanced medical training and practical certifications for all SAMSAR members.

SAMSAR is committed to providing a professional Mounted Search and Rescue response team for the Pima County Sheriff's Department and the Southern Arizona region.

*Thank you for your
interest and support.*
